SUPPLEMENTAL AMENDMENT

Dear Sir:

This Supplemental Amendment is supplemental to the attached Response to Office Action ("Applicant's 2/4/2002 Response"), which Applicant filed on February 4, 2002, and which the U.S. Patent and Trademark Office ("USPTO") received on February 20, 2002.

Supplemental to Applicant's 2/4/2002 Response, and further in response to the Office Action mailed March 4, 2002, please amend the above-identified application as follows.

SPECIFICATION

In the specification, at page 1, please add the following new paragraph after line 25 and before line 26.

--In WO 98/47116 A1 is described a method for effecting of payments by a client to a merchant via telecommunication device as well as a corresponding device for effecting the method. In this method, the client starts the payment by first transmitting at least a merchant's code and the amount to be paid via a cell phone to a so-called telepay device which can build up connections to the client's bank, to the merchant's bank and to the merchant himself. This
